**2010 GHIACCIO FORTE
MORELLINO DI SCANSANO D.O.C.G.**

TASTING NOTES

The Morellino di Scansano "Ghiaccio Forte" is the estate's crown jewel. It is produced only in exceptional vintages.

This ruby red wine offers a complex melange of roses, iris, ferns and small berries. Delicate in texture with a continuous aromatic flow, Ghiaccio Forte boasts a harmonious balance of freshness and tannins with refinement. This vintage is fit for long-term aging and will continue to develop with the passing of time.

The Ghiaccio Forte is a true testament to the maximum potential of the region. In 2011 it was named by the Italian Sommelier Association as "The best Morellino ever tasted by the panel", also receiving the highest rating of 5 stars

2011 VIGNE DEL PASSERO MORELLINO DI SCANSANO D.O.C.G.

TASTING NOTES

Cultivated in our estate Ghiaccio Forte, which is located in the "Maremma" region of coastal South Western Tuscany. The vineyards are situated on the hills facing the Mediterranean Sea and planted in the generous soil next to the ancient Etruscan enclave called "Ghiaccio Forte." The combination of altitude, southwestern exposure, and rich volcanic soil create in Scansano one of Italy's most unique micro-climates.

The Morellino di Scansano "Vigne del Passero", in contrast, is fresher and makes for a more casual experience, as a sophisticated ideal every day wine. Also ruby red in color, its bouquet features cherries, roses, earth and a pinch of herbs that blend harmoniously together to become a pleasing combination to the most discerning palate.
